NOTION[®]
"Enlighten the World"

**We Design Thoughtful,
 Luminaires and Poles.**

With a growing global footprint, Notion has successfully grown into one of India's leading manufacturers of architectural lighting poles & luminaires, be it contemporary or decorative. And we have done this by capitalizing on our industry knowledge and combining it with advanced optical engineering. Building the foundation of a solid interplay between architecture and luminaire, all our innovations and designs are shaped to enrich people's lives.
